

Below are three Bible Reading Plans for the year.
You can print this entire document or select specific pages to print. If you use a hard copy Bible for your daily reading, some find it helpful to trim the pages to fit neatly within their Bible.

Plan A (Print pages 2,3,4)

Plan B (Print pages 5,6,7)

Plan C (Print pages 8,9,10)

Eight Tips for Following a Daily Bible Reading Schedule

1. Before reading, pause to confess your sins to the Lord and ask Him to speak to your heart as you read His Word. Keep a journal.
2. Discipline yourself to record at least two sentences each day about what you read. Many find it helpful to formulate the written sentence(s) into a personal prayer.
3. Read prayerfully. As you read, pause at certain verses or phrases and speak with your Lord about what the verse means and how it might pertain to your life.
4. Block out a 30-minute time slot that will most likely be convenient for you to read your Bible at the same time every day. Even if you must set your alarm clock earlier —go for it. Rigour and discipline are required. Satan will never hand you extra time on his silver platter to read your Bible. If you are going to read your Bible, you must intentionally take the time.
5. If you miss a day now and then in your readings, don't try to go back and catch up. You'll find that too difficult and discouraging, causing you to abandon your reading schedule for the rest of the year. If you have lost a day or a week because of extraordinary events, just get back on schedule and only read where the Plan states you should read for that day. You can read the missed chapters next year if the Lord spares you.
6. If you have completed all your readings for the day and are about to close your Bible without enjoying anything, force yourself to select one verse and mull it over in your mind for a few minutes and pray.

Let's say you selected Job 21:13 out of your readings: "*They spend their days in wealth and in a moment go down to the grave.*" You could think of the 'wealth' of sinners and how shallow it is compared to your wealth as a believer. You could think about 'a moment' — in a moment, you could be at home with the Lord. In a moment, the Lord could come, and you could thank the Lord for the 'moment' you trusted Christ. Or you could think about 'going down to the grave.' Your body may go down, but you will go up. Praise God! It may not seem like much, but at least it is some little nugget for you to have in your mind as you go through your day. Underline that phrase or that verse in your Bible. Jot down your little thought in your specially designated Bible Journal. Record a minimum of two sentences each day.

7. Encourage a friend to adopt the same Plan and then challenge each other, with the Lord's help, to follow the Plan.
8. Your daily reading, based on a schedule, is the minimum. We also need to spend time 'studying' the Word of God at a deeper level.

Plan A

This daily reading plan takes you through your entire Bible once a year. Each day, you will be reading selections from both the Old Testament and the New Testament.
